COLD WEATHER PET SAFETY

GET A CHECKUP

BRING YOUR PET IN FOR AN EXAM. COLD WEATHER CAN EXACERBATE HEALTH ISSUES, SO GETTING A CHECKUP IS IMPORTANT EVEN FOR PETS THAT SEEM HEALTHY.

MICROCHIP

SNOW CAN AFFECT A PET'S SENSE OF SMELL AND THEIR ABILITY TO FIND THEIR WAY. MICROCHIP YOUR PET AND GIVE THEM AN IDENTIFICATION TAG SO THEY CAN BE RETURNED TO YOU.

EMERGENCY

COLD WEATHER CAN RESULT IN EMERGENCY SITUATIONS LIKE POWER OUTAGES. MAKE SURE YOU HAVE AN EMERGENCY PLAN FOR YOUR FAMILY THAT INCLUDES YOUR PET

RECOGNIZE THE SIGNS OF TROUBLE

IF YOUR PET IS WHINING, SHIVERING, ANXIOUS, OR SLOWS DOWN, YOUR PET IS AT RISK OF HYPOTHERMIA

CHECK THEIR PAWS

SALT FROM THE SIDEWALKS AND FROSTBITE CAN INJURE THE PADS OF THEIR PAWS. WIPE THEM WITH A WARM CLOTH WHEN THEY COME INSIDE.

CATS LOVE CARS

CATS ARE ATTRACTED TO THE WARMTH OF CARS. BE SURE TO TAP ON THE HOOD TO ALERT ANY ANIMALS THAT COULD BE INJURED WHEN THE CAR STARTS.

Happy New Year!

Book Your 2019 Event NOW!

Do you have a special occasion coming up soon and need a space? The Clubhouse Ballroom can certainly fit your needs! It is located on the upper floor of the Clubhouse overlooking the main beach and lake. The Ballroom can accommodate 300 people and has a sizeable dance floor. We have a combination of round tables, rectangular tables and chairs that may be used for your event.

Holiday Shores Snow & Ice Control Procedures

Snow plowing and ice control begins when there is two inches of snow and more is expected or when ice begins to make the roads hazardous. Ice control material is applied to locations on an "as needed" basis. It takes 4-5 hours to plow the entire community with only 2 inches of snow. No Salt will be used this year due to increased costs. Please be careful.

DO NOT CALL THE OFFICE TO SEE IF THE SNOW PLOWS ARE OUT OR TO REPORT SNOW. PLEASE BE PATIENT.

Which roads are plowed first?

Heavy traffic hills and main roads are plowed first.

HILLS-

Gate J- Blvd de Cannes and St. James
 Blvd de Cannes and Elm
 Gate M- Holiday Point Pkwy and St. James
 Intersection at Holiday Point Pkwy and Barbados Dr.
 Intersection of Catalina and Holiday Point Pkwy
 Gate N- Reno Court
 Gate O – Carribean .
 The hill before Carribean and Biscay Dr.
 The hill on Fountainbleu east of Captains Dr.
 The curve on Fountainbleu just before Gate G
 The hill at the intersection of Anchor Lane and Brigantine Circle
 The hill on Sextant Dr. between Port Lane and Commodore Walk

PRIORITY 1 ROADS

Cedar Lane
 Shore Dr.
 Holiday Dr.
 Elm Dr.
 Blvd. De Cannes
 Newport Bay Dr.

Holiday Point Pkwy
 Carribean Dr.
 Biscay Dr.
 Waikiki Dr.
 Castle Dr.
 High Point Dr.

Su Twan Dr.
 Fountainbleu Dr.
 Treasure Dr.
 Tamarach Dr.
 Overlook Dr.
 Birch Avenue

What cautions should I be aware of?

Do not park on the road during the snow removal process.
 Do not push snow onto the roadway! This creates a very hazardous condition.

What about driveways?

Maintenance personnel are not authorized to plow driveways and plows will not be lifted at the entrance to each individual driveway. Clearance of driveway entrances is the responsibility of the resident. Plows may make several passes in order to widen the roads.

What about mailboxes?

The truck get as close to the mailboxes as possible. It is the homeowner's responsibility to keep the area in front of the mailbox cleared. Keep mailboxes closed at all times.

What about trashcans on pick up days?

Trashcans and recycle containers must be 4' off the road. The snowplow drivers will not get out to move your containers and will not be responsible for damage.

Use Caution!

When maintenance is out on the roads, stay a safe distance behind the trucks. If you cannot see the mirrors on the trucks, they will not be able to see you.

PLEASE BE PATIENT AND COURTEOUS

Manager's Report *by Rob Clarkson*

January 2019 Managers Report

Winter is here, and the Lake is trying to freeze over. We do not recommend you going out on the ice at any time however, if you do so use caution and never do so alone. If you see anyone fall thru the ice your first reaction should be to dial 911. The Fire Dept. is trained to conduct these types of rescues and this ensures you will not be a second victim. Stay on the phone till help arrives and forward as much information as possible to the emergency dispatcher.

The Boat show season is just about upon us. Check our Rules prior to purchasing your new boat or PWC to ensure it complies and avoid any problems when obtaining your 2019 Boat Stickers. Hulled crafts have a 22' and Pontoons have a 28' maximum length. Check the IDNR or Holiday Shores websites to understand how this measurement is taken. For your reference, in our Boating Rules, a diagram is located on page 4. If you do not have access to the internet come by the office and we will gladly provide you with the most current set of Rules.

Dues and Assessments are due. Members who may have difficulty staying current with this requirement should contact the office and communicate with us any special needs. Failure to do so will leave us no choice, except to proceed with collection efforts which adds costs to all involved. Communication with the Office is a key factor and could save us all added expenses and frustration.

Keep the forecast in mind when parking on the roads. If there is a snow event, the maintenance dept. will be working diligently to clear our roads, and vehicles parked alongside the roads makes their task that much more difficult.

Bus stops are always a concern both for our children's safety and the effect parking has to our neighbors near the stops. Please park orderly on one side of the road to allow normal traffic or emergency vehicles to traverse without difficulty. Be conscious of the damage you may cause to the property you are parking in front of during wet conditions. This damage can adversely affect the drainage capabilities of our roads which can lead to added maintenance costs.

Committees & Clubs

We are always looking for new members & volunteers, if you are interested give the chair a call and get involved!

**CHICKEN, FRIES, BEER AND SODA PROVIDED.
BRING A SIDE DISH TO SHARE WITH YOUR GROUP.**

Holiday Shores Garden CLUB NEWS

"Wheat Weaving" was the program highlight at the November meeting. Member, Sharon Duncan presented an array of items that she had made and gave historical stories about how some of these items would have been used "back in the day". She has done extensive research on wheat weaving basics, and is passionate about the art. Everyone enjoyed a fun and informative program.

The 2019 officers were elected as follows:

Co-presidents	Joyce Brendle & Donna Nelson
Vice President	Patti Brown
Secretary	Kathy Austin
Treasurer	Jan Tolliver

As we embark on 2019, let us do so with anticipation of another rewarding year of community service in Holiday Shores.

Even though the Garden Club does **not** hold regular meetings in January and February, the members are busy planning exciting new programs for the coming year. The Garden Club always welcomes new faces, and is open to members of the Holiday Shores community.

If you have a love of nature and want to broaden your knowledge of.... how to enhance your own garden, add beauty to the community, and protect and nurture our environment, please think seriously about adding your name to our membership roster. Our monthly programs are very informative, and extra helping hands with our projects would be greatly appreciated. Dedicated volunteers are always needed to continue our work of maintaining the many gardens in the community. Plus, as an added bonus.....you will meet some really great people, while sharing ideas and working together for the betterment of Holiday Shores. Our meetings are usually the 3rd Monday of each month.

- As we gear up for our one and only fund raising activity, plans are underway for our annual **Plant Sale**, which will be held on Friday, May 3, 2019. Please refer to the ad elsewhere in this issue.

During these cold winter months, there are numerous things we can do to assist in planning our own gardens for this year. One thing is to order seed, bulb, and nursery catalogs in January to help you choose the best plants for your garden. Other suggestions

- Recycle your Christmas tree branches, swags, wreaths, and other evergreen material as mulch for garden and perennial beds. Lightweight, open evergreens permit moisture to reach the soil, but also insulate the roots and crowns of plants from the freeze-thaw-freeze cycle of Midwest winters.
- An alternative use for a holiday tree is to set it in the backyard and decorate it with bird seed and suet ornaments for winter birds. And, be sure to continue to supply fresh water for the birds.
- Continue to use potassium, or calcium-based deicing products on walkways rather than sodium-based ones. If possible, broadcast sand on slippery surfaces and always shovel snow before using any de-icing product.
- Water garden beds, turf, and plants that have received salt spray from the roads. Also, water evergreens, if the ground has not yet frozen, as evergreens are susceptible to winter winds.
- Continue to keep the garden tidy by removing any broken or fallen branches from the yard. If small plants have heaved out of the ground, gently press them back with your hands and avoid compressing thawed ground with heavy boots.
- Do not store firewood in the house, as there may be insects in the wood.

**KEEP UP WITH COMMUNITY EVENTS,
REMINDERS AND MORE!**

CHRISTMAS TREE DROP OFF

Christmas Trees can be dropped off at the Maintenance Shed on St. James Drive. There will be a sign stating where they should be left.

Holishor will chip them for mulch. Please remove all ornaments, tinsel and lights.
DO NOT PUT YOUR TREES IN THE LAKE!

HOLIDAY SHORES GARDEN CLUB PLANT SALE – FRIDAY, MAY 3, 2019

Our Plant Sale is held in conjunction with the Holiday Shores Fire Department's Annual Fish Fry. Look for Member and Resident donated perennials; annuals, hanging baskets and herbs from LaBella Fiori Nursery in Staunton; native plants from Tom Sherrill of Alton; and many raffle prizes!

Forms to pre-order our high-quality geraniums at a discount will be in the March and April Holiday Times.

This is the Garden Club's only fundraiser of the year!

Your continued support enables us to have a budget for projects throughout our community.

Past completed projects include:

- *Contributed toward the replacement of all the new Entrance Gate Signs
- *Waterfall Garden Entrance at Gate A
- *Provided the Water Fountain at the Clubhouse upper entrance
- *Design and re-work the corner garden at St. James Drive and Holiday Dam Road
- *Provided the Holiday Shores 50th Anniversary and Seasonal Banners at St. James and Holiday Dam Road
- *Installation and maintenance of the Native Plant Garden Project at the north end of the lake
- *Installation of informational kiosk and solar lighting at the Native Plant Community Garden
- *Island Garden renovation and solar lighting at Holiday Point Parkway
- *Plantings and upkeep of all gardens at gate entrances and Holiday Shores Fire Department
- *General beautification and gardening at the Clubhouse and throughout the community
- *Renovation of the marquee sign at St. James and Holiday Dam Road

Success of these completed projects would not have been possible without your past support!

And, as a **"Thank You"**, we will again have our pre-ordered geraniums for \$4.50 this year!

LOOK FOR THE ORDER FORMS and **SAVE THE DATE – MAY 3rd** for plants and dinner!

Old Business

Jet Ski's

Anthony Harrell – The Boating Committee is not met yet to discuss the jet ski issue. I reached out again to Ben Kelly today, he is the President of the Boating Committee. He has been working a lot of hours so that is supposed to be ending for him at the end of this week. He should be getting the Boating Committee together within the next week.

New Business

Association Restaurant & Floor Bid for Ballroom and Offices

Dave Decker - We have been notified by the current restaurant leasee that they

Dave Decker - We have a bid for doing some floor resurfacing, both downstairs and the dance floor. We have requested to inquire competing bids.

Open Floor

860 Newport Bay Request for Variance to Waive Culvert Requirement

Doyle Hale, 860 – I'm Doyle Hale, I live at 860 Newport Bay Drive. We have been there for about a year and a half now. We bought the house with the intention of doing some remodeling, we would like to do a pretty extensive craftsman overhaul with a pretty nice result. One of the things we are talking about now, we are probably going to do it in two phases, the first phase is to do some concrete work and water mitigation. We get some water into the crawl space so we have to do some aggressive things to fix that so it made sense to do some grading and do some concrete work. I would like to lower my garage floor ten inches and so on. The big thing is the culvert at the end of our driveway

is doing nothing, we would have to do some extensive ditching to have it. I'm pretty sure my neighbors were given permission to remove their culvert. I met with the Building Committee, I thought there was going to be a report from them here tonight. Their recommendation was wasn't doing anything either. We are going to be doing some concrete work so I would like to make that change if we can at this time. The second part of the project is we are going to be doing heavy construction and roof work, we are going to be removing two-thirds of the roof completely. I wanted to present that and see who could give me permission to take care of the culvert. I realized that there are ditching initiatives out here, if there could be, I would prefer that but I don't think it could be done. If you look at how the street rises, I'm actually almost at the apex of the street. What I have is the culvert with two little ponds on each side, the water is going nowhere.

Dave Decker – When did you meet with the Building Committee? **Doyle Hale, 860** – This past meeting last week.

Dave Decker – Did you request a variance? **Doyle Hale, 860**

– Yes. **Dave Decker** – Do we

have that variance request?

Megan Jackson – We do, it has not been processed yet. **Dave**

Decker – When are you trying to do that work? **Doyle Hale, 860**

– This fall. **Dave Decker** – Our next meeting is in two weeks and we have nothing in front of us. I will speak for the board, I don't think any of us are not willing to approve something without that in front of us. In addition to that, we would like to have the recommendation from the Building Committee as to whether approve it or not, we lean on them for that direction. So that this point, I would like to defer it to next meeting so we can have it in our packet to review it. **Doyle Hale, 860** – That's in two weeks? **Tony Harris** – Three weeks. That will be the 14th. **Doyle Hale, 860** – We're

pouring driveway, sidewalks, its an extensive project. **Dave Decker** – Unfortunately, without us having any information we're not willing to make a decision on it. **Doyle Hale, 860** – As far as the project goes, what do I need to do to as far as the concrete work that is being done, it's largely maintained but really we are making some changes at the same time to help with this water. **Dave Decker** – Basically,

just follow our building rules.

If you're talking to the Building Committee, they should be able to tell you to get permits or not get permits and what needs to be done there. **Doyle Hale, 860** – The big thing was the culvert, really. I thought that was going to be approved this evening.

Dave Decker – Did they tell you what the recommendation was? **Doyle Hale, 860** – They are aware that the culvert isn't doing anything. **Dave Decker** – They were recommending waiving it? **Doyle Hale, 860** – Yes. **Steve Yates, Jr.** – Do you know what the recommendation was by chance? Even though it has not been processed. **Megan Jackson** – I'm not exactly sure, I know him and Rob Frey have spoken but I was not present. **Doyle Hale, 860** – I'm not sure if they officially went out after our meeting but they are aware where I was on the street.

Shaun Diltz – So there was four culverts in the ditching and drainage to be replaced, one cross road culvert. I don't know exactly which ones they were. In the edging I can give you the feet of ditching that was supposed to be on Newport Bay. **Doyle Hale, 860** – That's the initiative that is going to be taking place on Newport? **Shaun Diltz** – That

is the numbers we have in front of us. We don't have an exact year that will be taking place.

Doyle Hale, 860 – Honestly, if that is what's going to happen, I would prefer the culvert to be there but if there is not its actually doing me more harm. If there is something going to happen, I wouldn't mind coordinating with that. **Dave Decker** – I think it would be important for you to get with Shaun to look at that drawing to see where that is compared to where you are at. **Shaun Diltz** – It might help affect your decision. **Doyle Hale, 860** – Absolutely. Just looking at what has already been done as far as my neighbors got a variance on their culvert. **Dave**

Decker – One of the things we do with the variances is we say that the Association comes back and we do ditching, then you're responsible for replacing the culvert and the driveway. If we are going to do that section, it's not a matter that the culvert is there but making sure it's put in at the correct elevation. **Doyle Hale, 860** – That's another thing I would need to coordinate as well. **Dave Decker** - That's just another reason why we shouldn't approve this tonight. **Shaun Diltz** – I agree. I wanted to let him know that if there was something coordinated on his street, you would probably want that detail right now. We will be looking into that between now and then. It

might even change your choice, get that detail, get it done, move forward, put the culvert in and be finished. **Doyle Hale, 860** – Absolutely. It can help with some of the water issues we are having. I will work with the Building Committee on the rest of it and see where this goes.

Steven Yates, Jr. - Motions to adjourn the meeting.

Matt Ressler - Seconds **All in Favor.**

Motion Carries.

Meeting adjourned at 7:43 p.m. to Executive Session.

Meeting minutes submitted by Megan Jackson.

Board of Directors Meetings are always held the 2nd and 4th Wednesdays of the month at 7:30 pm in the clubhouse ballroom. All Holishor members

are welcome to attend. If you can't attend or would like a written correspondence to the Board of Directors and send or drop off in the Holishor Office 7 days before the board meeting. This allows the board time to research the issue before the meeting.

BREAKFAST WITH SANTA 2018

A VERY SPECIAL THANK YOU TO WIGGLERS FOR
CATERING AND OF COURSE, OUR VOLUNTEERS!

Dear Breakfast with Santa Attendees and Volunteers,

I want to begin by expressing that I feel the event Dec. 15th was extremely successful and received very well by the community. I want to thank the families that joined us and Santa for Breakfast and fun. We had a fantastic breakfast! This was provided by Wiggler’s and was the main reason we were able to still hold this event without restaurant equipment. After breakfast, we had lots of fun making Ornaments and coloring. The sugar cookie decorating was also a hit! Stacey’s Faces was there painting Christmas cheer on the children’s faces. Finally, the main event Santa and his elves were present (pun intended). Dinnius Photography was there to capture all the great moments with Santa and provide families great momentous of the event. I hope everyone had a great time and will come out again next year!

I want to also send a special thanks to all the volunteers because with these people we would not have been able to hold this event. If you see them around the community, please thank them as well. A big THANK YOU to:

Wiggler’s (618-655-0803) for providing the food and cooking! We could not have done this event without you.

Dinnius Photography Teri Dinnius and Linda Shive (618-655-0177) for all the wonderful pictures!

Stacey’s Faces (618-974-9889) The painting brought excitement to many kids Saturday.

The rest of the event was coordinated thanks to the following generous people:

- | | |
|--------------------------------|--------------------------------|
| Tia Triplett | Don and Kathy Austin |
| Kathy and Deryl Wilhite | Matthew Ressler |
| Megan Jackson | Steve Yates |
| Valerie Dietzman | Trisha Martin |
| Jennifer Gillan | Rob Clarkson |
| Brenda and Marce Tebbe | Angie Webster |
| Kelly Shepard | Mark & Meryl Keenan |

Also Thank you to all the attendees who stuck around and jumped in as needed! You are great and super helpful!

And of course a big thank you to **Santa** for taking time out of his busy season for us!

I hope everyone has a Merry Christmas and Happy Holidays,

Alexandra DeVries

AMENDMENT A TO ORDINANCE 2006-03

An Amendment to Ordinance 2006-03 regulating Sewer Service for Holiday Shores Sanitary District.

Be it ordained and enacted by the Board of Trustees of the Holiday Shores Sanitary District, County of Madison, State of Illinois, as follows:

ARTICLE ONE

HEREINAFTER, Article One of Sewer Service Ordinance No. 2006-03 is amended to add the following:

Previous Connection & New Account

Insurance Coverage It is strongly recommended for the property owner to carry sewer backup insurance coverage on the homeowner's insurance policy. Most homeowner's policies do not cover sewer backups unless a sewer backup rider is added to the policy.

New Connection & New Account

Insurance Coverage It is strongly recommended for the property owner to carry sewer backup insurance coverage on their homeowner's insurance policy. Most homeowner's policies do not cover sewer backups unless a sewer backup rider is added to the policy.

HEREINAFTER, Article Four of Sewer Service Ordinance No. 2006-03 is amended to add the following:

Liability**Damage to Property Owner's Property resulting from a Sewer Backup**

Holiday Shores Sanitary District will not pay for damages caused by sewer backups unless the District is the sole proximate cause of the backup. The resident must contact the District immediately when a problem is discovered, and immediately stop all water use until a District technician arrives to assess the situation. The property owner is expected to submit a damage claim to their insurance company before the District will review and consider any partial reimbursement of repair costs.

The User Instructions for Holiday Shores Sanitary District Sewer System (Grinder Pumps) is given to all new residents. If the damage is a result of the homeowner's electrical breaker (that controls the grinder pump and control panel) being tripped, abuse of the grinder pump as stated in the User Instructions, clogged piping or any other abuse of the grinder pump system, the homeowner is solely responsible for the damages. The District will repair or replace grinder pumps at no charge, in most instances. However, repeated abuse of the grinder pump system will result in a charge to the homeowner for repairs.

Page 2

Amendment A

To Ordinance No. 2006-03

ARTICLE TWO

ORDINANCE IN FORCE

This amended ordinance shall be in full force and effect from and after its passage, approval, recording, and publication as provided by law.

Passed and adopted by the Board of Trustees of the Holiday Shores Sanitary District of Madison County, State of Illinois on the 8th day of October, 2018, by the following vote:

AYES 3 : NAMELY

NAY 0 : NAMELY

Approved this 8th day of October, 2018

Signed:

President

Attest:

Signed:

District Clerk

USER INSTRUCTIONS FOR THE HOLIDAY SHORES SANITARY DISTRICT SEWER SYSTEM (GRINDER PUMPS)

In order to provide you with suitable wastewater disposal, your home is served by a low-pressure sewer system. The key element of this system is the Grinder Pump unit. The tank collects all effluent from the house. The solid materials are then ground to a small size suitable for pumping as slurry with the effluent water. The Grinder Pump generates sufficient pressure to pump this slurry from your home to the Holiday Shores wastewater treatment lagoon.

Care and Use of your Grinder Pump

The Grinder Pump is capable of accepting and pumping a wide range of materials. However, we require that the following items should never be introduced into the sewer either directly or through a kitchen waste disposal unit:

Glass and metal	Diapers, socks, or rags
Cooking grease or oil	Plastic objects (toys, utensils, etc.)
Seafood shells	Sanitary napkins, tampons or condoms
Powdered soaps & detergents (including	Rocks or any gritty substance
Powder pods for dishwashers and washers)	Kitty litter
“Flushable” wipes are not flushable – No cleaning wipes or baby wipes. Do Not Flush!	

In addition, regulatory agencies require that you **NEVER** introduce into any sewer:

Explosives	Strong chemicals
Flammable material	Gasoline
Lubricating oil and/or grease	Medications of any kind

Periods of Disuse

If your home or building is left unoccupied for longer than a couple of weeks, use the following procedures:

Purge the system:

Run clean water into the unit by running a faucet in your sink or tub until the pump activates. Immediately turn off the water and allow the Grinder Pump to run until it shuts off automatically.

CAUTION: DO NOT DISCONNECT POWER TO THE UNIT!!!!

Power Failure

Your Grinder Pump cannot dispose of wastewater without electrical power. If electrical power service is interrupted, **refrain from using water**.

Pump Failure Alarm

Your Grinder Pump has been manufactured to produce an alarm signal in the event of a high water level in the basin. During the interim prior to the arrival of an authorized service technician, **please refrain from using water**.

If you experience a **Grinder Pump failure alarm**, please call the Holiday Shores Sanitary District office **immediately at 656-4933**. We will dispatch our repair personnel to correct the malfunction.

******Any abuse or neglect of the Grinder Pump will result in a charge for repair or replacement of parts and labor.**

WE ARE
Here
(AND SO IS GOD)

Have you ever been lost? With all the technology available to us today, that is virtually an impossibility. We follow our GPS blindly. Some have even let technology drive them to and from their destination without even thinking twice about it.

But what about our journey through life. Are we paying attention to that journey? Do we know where we're going? Do we know what to do to get where we want to be? And how are we getting to that destination?

The Bible talks about the large crowds that followed Jesus. Often when they did, He healed them (Matthew 19:2) and at other times He taught them (Matthew 4:1-2). Jesus was giving them some direction for their journey through life by giving them a destination of eternal life. A place they could call home and live there forever. An eternal promise that would bring them peace and joy through any of the trials they faced in this life.

This was the destination their families had been promised for generations. And it is still a promise that holds true for all of us today.

Come join us on Sundays as we learn about this promised destination and the joy that we can experience while on our journey of life.

9:30 am – Sunday School
10:45 am – Sunday Service
