# Book Your 2019 Event NOW!

Do you have a special occasion coming up soon and need a space? The Clubhouse Ballroom can certainly fit your needs! It is located on the upper floor of the Clubhouse overlooking the main beach and lake. The Ballroom can accommodate 300 people and has a sizeable dance floor. We have a combination of round tables, rectangular tables and chairs that may be used for your event.

# MEET THE CANDIDATES

## **Pam Maibaum, 2088 Castle**

My name is Pam Maibaum and I'm running for the Holishor Board of Directors. As a resident of Holiday Shores since 2010, I have been an active participant in our community, previously serving on the Nominating, Political Action, and Restaurant Committees. If chosen to serve, I will be an advocate in keeping our unique lake community strong. I have personal interest in the areas of safety, property appreciation, and effective and timely communication with the community. Professionally, I have been a real estate investor, agent, franchise owner, and Pre-License Real Estate Instructor (I am now semi-retired). This industry has required excellent communication, negotiation, and problem-solving skills, all of which would make me an effective board member. I believe my previous volunteer service to the community, professional background, and deep appreciation for our unique community would all be an asset to our association. I would be honored to serve on your board. Thank you.

## **Anthony Harrell, 560 Clover**

I have lived in Holiday Shores since 1996 and never plan to leave. I truly enjoy the people of this community as well as everything Holiday Shores has to offer. I want to keep this community great by making improvements where we can while maintaining our current culture. Improving the communication throughout Holiday Shores and trying to get more people involved with ideas to make our community better is a high priority for me. Some of our rules and bylaws are slightly dated and we are currently in the process of letting the membership vote on if we should change some of them or not. I believe that the members of Holiday Shores should have major voice in the decisions we make as board members. Unfortunately, most of the time, we don't get any opinions until after the board has made a decision. I would really like to change that through the many ways we have to communicate in this modern era.

## **Justin Patterson, 1402 Britany**

My family and I have lived in Holiday shores since 2013. Since I was raised just up the road in Moro, and spent a lot of time on the lake, it was an easy decision to move back here. I love everything this community has to offer, and I believe serving on the Board of Directors is one of the most effective ways of protecting our hidden gem. I currently serve on the IT Committee and Media/Communications Committee. In the past, I have served on the Board of Directors, chairman of the Social Committee, and recently on the Association Manager Hiring Committee. I believe our community is changing, in demographics and physically, and these changes are going to bring new challenges to the Association, which we must meet head on. I also believe that the most important job for a Director, is to protect members rights, which can quickly be eroded with the wrong representation. Most would say that I am open minded and give everyone a fair chance to make their case and keep the good of the community as the foundation of every decision I make.

## **Tony Harris, 1222 Key Largo**

My family and I have been members of the community for almost 9 years. I have been a member of the Finance Committee for the past 5 years and I have been Assistant Treasurer for approximately 4.5 years. I have also been a member of the Board of Directors for approximately 6 months filling a vacancy that occurred last year. I believe my professional background in finance and accounting will continue to help me contribute to the community and my leadership skills and ability to analyze and evaluate issues considering multiple points of view will make me an asset to the Board.

**Monica O’Brien, 327 Deep Water**

My family moved here 18 years ago. During that time, I worked in the Holishor office in various positions from Office Coordinator, Holiday Times editor, and Bookkeeping. I served on the Social Committee for many years, holding the Secretary position and later became President. Currently I am a teacher in the Alton School District, teaching 3rd-5th graders with autism which demands a great deal of patience, flexibility, and creativity to meet the needs of my students. I am running for the Board to offer my experience and knowledge of the association. I’m familiar with our Covenants/bylaws & rules and the ins and outs of Holishor, including finances, legal issues, collections, building permitting, and lake management, etc. In addition, I have 15yrs experience in property management running my rental properties. Three issues of concern for me are the ongoing financial management of the association, attracting new people to the community, and making sure there is open communication between the board and residents creating a community partnership.

**Richard “Dick” Gvillo, 90 Shore Drive S.W.**

My name is Richard “Dick” Gvillo, my wife Jeanine moved to Holiday Shores in 2017. I own Gvillo Farms and Gvillo Trucking & Excavating. I have a lot of experience in operating within profit margins, overseeing projects and commitments from beginning to end. I maintain income and expenses to stay on budget for both businesses. I have a lot experience in machinery maintenance and required operation procedures. I have participated in the Future Farmers of America, Local 4H Program while farming along side of my family. I hope you will consider me with my 40 years of business ownership as an asset to your Board of Directors. Thank you.

**John “Jack” Godwin, 924/925 Holiday Point Pkwy**

My name is Jack Godwin, I’ve lived in the community since 2009. I’m a United States Marine Corps veteran with 5 years active duty. I’ve worked in Law Enforcement for 15+ years and have a bachelor’s degree from SIUE. In the past 10 years, I’ve witnessed many positive changes in the community. In reading the Holiday Times and engaging at a variety of community events, it seems some of the same challenges continue to cycle through month after month. I think my professional experience would be beneficial to the Board. I am very experienced at communicating and working with individuals from all walks of life with empathy and respect. I have rooted my family in this community. My oldest will start Kindergarten this year, and I would love an opportunity to give back and help Holiday Shores continue to thrive as a safe and fun place to live for years to come.

## **Manager's Report** *by Rob Clarkson*

We are headed into this boating season with a lake that is at full pool and in excellent shape considering the amount of rainfall we have had this year thus far. I would like to remind all those utilizing the boat ramp at the Marina to please lock it after putting your watercraft in or taking it out of the lake. We are ultimately responsible for keeping non-members off the lake and this is a simple way of doing so that we all can help with. If you need a key to the cable they are available in the office for \$3.00.

We are currently seeking volunteers to watch the ramp a couple hours a weekend starting

Memorial Day weekend, May 25th. Simply making sure all boats have the current year sticker and lot numbers and a friendly reminder to make sure the cable gets put back up. Contact Public Safety and request a time slot 618-656-7233 ext 3

This year the Annual Meeting will be held May 18th. Dues and Assessments final installment is due May 1st. You must be a member in good standing with all dues paid in full to attend the Annual Meeting.

Repairs to Su-Twan Dam will begin May 31st and continue for approximately 30 days. Fishing on Su-Twan will be closed until

repairs have been completed.

The Building committee meets every 1st and 3rd Tuesday of the month at 6:30 in office to handle any permit and variance requests.

Board of Directors meetings are held on the 2nd and 4th Wednesday of every month at 7:30 in the Club House.

Committees & Clubs

REMINDER

2019 Dues & Assessments are due January 1st.

They can be paid in increments of:

\$236.00 January 1st

\$237.00 March 1st

\$237.00 May 1st

Late charges are assessed on the 10th of every month.

BOAT DECALS

2019 Boating decals are a Mint Green color.

If you can not wait to be the first on the lake with your 2018 boating decal, bring in to the office a copy of your registration and proof of \$300,000 liability insurance as soon as your 2019 Dues & Assessments are paid in full.

There will be three types of decals this year, Motorized, PWC and Non-motorized.

The Garrett Steele Memorial Kids Fishing Derby is coming up. You can sign up at the water department or Holiday Shores Marina until May 17. The event date is May 18 from 10:00 am to Noon and as always there will be fish and fries for all the kids fishing at no charge. Anyone else who would like to eat we would like a donation to help with the cost of the event. Ages 1-15 are eligible and all kids must be accompanied by an adult. Please get those kiddos signed up fast it helps us on food, bait and supplies.

### BIG BASS TUESDAY IS BACK

Big Bass Tuesday makes its return to Holiday Shores Marina for 2019. The format remains the same as last year with a \$20.00 entry fee per fisherman and a one fish limit. The bass must measure 15 inches to take to weigh in. We'll be fishing

every Tuesday from 5:30pm- 8:30pm though September 24. There will be two sessions each having their own classic. To qualify for the championship you must come in 1st or 2nd in one of the Tuesday night tournaments. Session one Championship will be June 25 5:30pm -8:30pm Visit the Tiki Bar Bass Club Facebook page for more details.

April 2 Big Bass Tuesday 1st Jason Zemke 2.30 lbs. 2nd Philip Tate 1.78 lbs.

April 9th Big Bass Tuesday 13 fisherman 0 qualified that's right no fish over 15 inches weighed in.

It is also signup time for the A & W All American Summer Classic. Entry fee is \$50.00 and all entries must be paid by June 16 at the end of tournament on Sunday. Late entry fee of \$100.00 will be charged after the date till morning of takeoff. Tournaments hours are 6:00 am - 2:00 each day, the lake will be off limits to all participants from Monday June 17 to morning of takeoff. If anyone is caught fishing in between these times they will forfeit their entry fee and be disqualified.

Entry Forms and Sponsorship Forms available at Holiday Shores Marina

We are also looking for sponsors for the A & W Summer Classic June 22 & 23

Platinum 250.00 - \$500.00

Gold \$200.00 .

Silver \$100.00

Bronze \$50.00

Half of your sponsorship goes to restocking the lake that the bass club does above what the association puts in the lake every year.

The other half goes towards the tournament purse. To date the bass club has put \$26,600.00 of fish into restocking the lake.

### Tournament Results

#### March 24:

1st. Mike Schmitt & Rich Mullen 1 fish 5.10 lbs.

2nd Tanner Ressler & Skyler Agles 3.30 lbs.

Big Bass Rich Mullen 5.10

#### March 31:

1st Matt & Austin Ressler 9.75 lbs.

2nd Philip Tate & Shawn Higgins 8.51 lbs.

Big Bass Jason Zemke 8.02 lbs.

**April 7:** 1st. Mark & Mitch Dowdy 9.90 lbs.

2nd. Brian & Tyler Wood 6.56 lbs.

3rd. Adam Ohms & Jacob Greco 5.1lbs.

Big Bass Adam Ohms 5.10

We have a new email if you have any questions..... [tbbchs@gmail.com](mailto:tbbchs@gmail.com)

### Tournaments for May

Tuesday- 7,14,21,28: 5:30pm - 8:30pm

Sunday- 5,19 : 6:00am - Noon

Sunday 26th Veteran Memorial Day Tournament (\$30.00) Entry Fee per boat we will donate \$10.00 per boat to Got your Six Support dogs.

Saturday 11th 1pm - 7pm ( Because of Mother's Day)

# Holiday Shores Garden CLUB NEWS

**Friday, May 3rd is a big day for the Garden Club.** The much anticipated annual “**Plant Sale**” will be conducted from 4:00 p.m. until 8:00 p.m. at the Fire House in Holiday Shores. The sale will feature a wide variety of brightly colored annuals, beautiful zonal geraniums, native plants for attracting pollinators such as bees and butterflies, and numerous perennials from members’ gardens right here in Holiday Shores. You will be certain to find unusual and healthy plants to add to your own garden display.

Also, you can take a chance on winning any of several unique donated items by entering the raffle. Please note.... all proceeds from this plant sale and raffle will enable the Garden Club to continue their beautification efforts throughout Holiday Shores. As always, your support is greatly appreciated!

Tuesday, May 14th the Club will visit LaBella Fiori Nursery, with lunch and meeting to follow. Guests are welcome to join the group, and carpooling will begin at the clubhouse at 10:00 a.m.

In addition to ongoing upkeep of all community gardens at the clubhouse and each gate entrance, the Club approved the following goals for 2019 at the March meeting:

- \* New rose bushes at the corner garden of St. James & Holiday Dam Road (completed)
- \* New uniform red Christmas bows for all gate garden signposts
- \* Revamping of the side garden at the clubhouse
- \* Gate M refurbishing stonework project
- \* Refresh of gate gardens, as needed

Also, the Garden Club is on the lookout for: Used broken concrete pieces or large stones that could be used as stepping stones at the Community Native Plant Garden site on Biscay Drive. If you know of someone who is willing to donate a few stones to the Garden Club, please call

Joyce Brendle (656-4257) or Donna Nelson (656-4953)

To the Fire Department for again allowing us to conduct our plant sale in conjunction with their annual Fish Fry and Bar-be-que. The firemen will be preparing some great fish dinners and sandwiches, along with side dishes and yummy desserts for your enjoyment. So, plan to eat your dinner at the Fire House on this night. This is a great opportunity for you to support your local community organizations and to visit with friends and neighbors.

The Community Native Plant Garden work day is scheduled for **Saturday, May 18th at 8:00 a.m. for one hour only.** We encourage residents who have a love of gardening, but do not want to commit to club membership, to come and join the group on this day for weeding and planting of the new third plot. This is a **community-wide project**, sponsored by the Garden Club. Please join us in this beautification effort at the north end of the lake on Biscay Drive.

**Garden Tip for May:** Transplant any annual, perennial or vegetable seedlings into the garden beds. Complete the hardening off process first and protect from late frosts.

## TRASH CLEAN-UP DAY IN THE SHORES: JUNE 6, 2019

## GARDEN CLUB NATIVE PLANT COMMUNITY GARDEN

North End of Lake - Biscay Drive

Garden Club continues to seek community volunteers to assist with the Native Plant Community Garden. We need you to sign up to work with us and others at this garden to beautify the north end of the lake. Do you want to see more butterflies, songbirds and pollinators? Do you wish your vegetable garden was producing a better yield? The H.S Garden Club has one answer... more Native Plants!!! With a better food supply and beneficial insects, the birds will come and our flowers and vegetables will be pollinated.

Our work days are the third Saturday of April -Oct 8-9am  
A time commitment of just one hour per month will make a huge impact. Please consider adding your name to our list of volunteers for this project.

# Holiday Shores Board of Directors Meeting

the dam. If you have any repairs, you are needing to make to existing docks or sea wall this would be the opportune time to do so as Su Twan Lake does not get drawn down every five years like Holiday Lake does. Keep in mind any new construction will require a HSBAR permit. If you are wanting to improve your shoreline with soil cloth and rip rap we will have it available for purchase in the office. Upon completing of the work we will be refilling the lake utilizing the water from the main lake so we do not have to rely on above average rainfall to take care of it for us. Your water quality will not be affected, and we are going to do everything within our powers to have as little impact as possible on the aquatic ecosystem in place currently. Fishing will be closed on Su Twan until repairs have been completed and the lake refilled to normal pool.

**Anthony Harrell** – I think it sounds great, good job. **Tony Harris** – I think so too. **Dave Decker** – I think it is a good idea to let them know. We want to put something in the Holiday Times, obviously. I also think this is a good topic for the Annual Meeting for educational purpose for those who come to the meeting. Where are we on getting prices and estimates for doing this work. **Rob Clarkson** – I have the pump quote complete and ready to roll. I am waiting for the engineers to give me a solid number on our compaction, which is all I am waiting on. **Dave Decker** – You're going to draw that up with full cost and everything by the next meeting? **Rob Clarkson** – Whenever the engineers get back to me, I will get it over to you.

## **Absentee Ballot**

**One change in verbage was made.**

**Tony Harris** – Motions to amend the Absentee Ballot to change 'or' to an 'and'.

**Shaun Diltz** – Seconds.

**All in Favor.**

**Motion Carries.**

## **Manager's Report**

Read by Rob Clarkson

## **Public Safety Report**

## **Old Business**

### **PWC Rule**

No Discussion

## **Fines Discussion Revision**

Read by Dave Decker

**Dave Decker** – This rule was approved a few years ago but was not placed into our official copy of our Covenants & ByLaws nor could we locate what was approved. As a result, I brought this back to the Board to either remove the rule, vote it down or reestablish the rule. It has been posted on the website for the required duration.

**Anthony Harrell** – Motions to approve the Non-Compliance of Building Permit Process rule.

**Matt Ressler** – Seconds.

**All in Favor.**

**Motion Carries.**

## **Su Twan Dam Update**

**Rob Clarkson** – I have drafted a letter to send to the property owners on Su Twan. I wanted your thoughts and approval before sending.

I am sending you this correspondence today to inform you that on or about May 31, 2019 we will be doing some work on the dam for Su Twan Lake. This work will require the lake to be lowered approximately 5'. Completion of the work will take approximately thirty days.

During this time, our maintenance crew will be removing the 8" cast iron pipe routed through

**Date:** March 13, 2019

## **Attendance**

Board Members

**Present:** Dave Decker, Shaun Diltz, Matt Ressler, Anthony Harrell and Tony Harris.

**Excused Absense:** Ali DeVries and Steve Yates Jr.

**Quorum Present:** Yes

Others Present

Rob Clarkson, Rob Frey and Megan Jackson from the Holishor Office.

**Holishor Members Present:** 6

## **Proceedings**

Meeting called to order at 7:30 PM

Pledge of Allegiance Recited

## **Minutes of February 27, 2019**

**Tony Harris** – Motions to approve the minutes as submitted with corrections to be made.

**Shaun Diltz** – Seconds.

**All in Favor.**

**Motion Carries.**

## **Transfers of Property**

There were 4 transfers of property. There are three houses and one lot with one triggered initiation fee.

## **Bills & Salaries**

**Tony Harris** – Motions to approve Bills & Salaries as submitted.

**Matt Ressler** – Seconds.

**All in Favor.**

**Motion Carries.**

## **Profit & Loss**

Submitted for Review

## Mowing

**Rob Frey** – In your packet is a revised list of propped mowers, these are out-the-door prices with taxes included. We still recommend the Ferris for the zero turn and we are recommending the GM1190 from Sloan's for the finish mower. **Dave Decker** – If I recall correctly, the zero turn is in our reserves and this amount of money is under the amount that is already fully funded? **Tony Harris** – That is correct. **Dave Decker** – The finish mower is not in the reserves and is not fully funded. If we are going to approve this, we are going to have to come up with \$6,000. We were provided a list of equipment that the maintenance staff feel we no longer need because we do not utilize it or it is no good. **Rob Frey** – Yes. Some of it is too expensive to maintain. **Shaun Diltz** – If you had up those estimated values, that is \$5,300 minus the scrap from the 72" flail mower. **Dave Decker** – If we decide to get rid of these then we get to have the fun conversation of the disposal method. We have options, we can do a silent bid, sealed bids, sell it on Craig's List, take it to an auction house, or one or two of these we can trade in. Let's start with the zero turn, since it is fully funded in the reserves. If we buy the Ferris, we will get rid of the 2001 Gravely 60" zero turn? **Rob Frey** – Correct. **Tony Harris** – Motions to approve disposing the 60" Gravely zero turn mower to purchase the Ferris ISX800 mower as recommended by the maintenance crew funded by the reserves.

**Matt Ressler** – Seconds.

**All in Favor.**

**Motion Carries.**

**Dave Decker** – The Finance Committee met on Monday and came out with a recommendation of a potential way to fund this. **Tony Harris** – We looked at the estimated values of the equipment to sell and took a more conservative approach, even though they are listed here for \$3,300.

Comfortably, we thought we could get \$2,500 for those hopefully more but at least \$2,500. The other \$3,500 we would need which we proposed taking from the Office Assistant budget which has no anticipated cost this year. Our recommendation was to take \$3,500 from that budget line item. **Tony Harris** – Motions to dispose the flail mower to purchase the GM1190 finish mower using the equipment sale funds and Office Assistant funds from the budget.

**Shaun Diltz** – Seconds.

**All in Favor.**

**Motion Carries.**

**Dave Decker** – You have several items on this list of equipment that we might as well get rid of. The list includes a gas generator, lake mower, teeth for the 70" skid steer bucket and Ranch King pull-behind mower. Is this the only generator we have? **Rob Frey** – No, we have two more generators. **Dave Decker** – I'm expect they are in better shape? **Rob Frey** – Yes. The gas generator, the parts are difficult to acquire and it is not used. With it's size and weight, the output is very little. The lake mower, this was mainly used eighteen years ago on Su Twan when we had a lot of lilypads on that lake. It is to be attached to the back of a john boat and moved around. We do not have a need for it. The add on teeth for the 70" skid steer bucket, we have not had a use for it. We have other buckets that do not have a need for teeth. With teeth, we have problems with utilities sometimes. The Ranch King, we pulled it with the ATV and cut some hill sides with it. We do not have a use for it, the zero turn mowers are taking it's place.

**Dave Decker** – What method do we want to use for disposal of this equipment? I personally do not like the idea of putting this on Craig's List because that will eat up a bunch of time considering you will have people to come out and look at it and meeting with the people. For me, the options I see are silent bid, sealed bid or take it to an auction

house and have them dispose of it. **Shaun Diltz** – You are going to get more eyes on these items on Craig's List. You could get rid of at the auction house for less money. **Dave Decker** – If you do sealed bids, you will still have people coming out to look at the equipment. What we could do is set it out and set one day for people to come look at it. **Rob Frey** – I did speak with the auction house, they have an auction coming up on March 26th. He said this type of equipment will attract a large crowd. We would have to haul everything over there, drop it off and they will help unload it. **Tony Harris** – Did they mention any fees for taking it to auction?

**Shaun Diltz** – Which auction house are we talking about? **Rob Frey** – It is called Hill Top which directed me to Harman's in Shipman.

**Shaun Diltz** – I like that, it is least intrusive.

**Matt Ressler** – Motions to dispose the listed equipment at the Auction House on March 26, 2019.

**Shaun Diltz** – Seconds.

**All in Favor.**

**Motion Carries.**

## New Business

### **Sustainability Grant**

**Dave Decker** – It looks like we were approved our sustainability grant to do maintenance work on rip rap on the north end and a few other spots. We need to make sure all of this work gets done and all invoices are sent to them so we can get our money back. For those who do not know, Madison County does a sustainability grant every year. Moro township allows us to submit our request through them. It is an 80% funded grant so we were awarded \$15,000 which we will have to come up with that other 20%. This is a very good way for us to get some work done at a relatively low cost. We have been doing this for four years. **Rob Frey** – I believe this is the third year we have been awarded out of four.

## Tampico

**Dave Decker** – This variance request is for a set back on a fence on a corner lot. I believe our set back requirement is twenty-five feet and you are requesting a set back of seventeen feet? **Zach Harris, 1177** – That is correct. If you look at your photos we do not have a back door, just a side door and a side deck that comes off of that. If we went back twenty-five feet, there would be minimal space of functioning area coming off of that deck. We had three fence contractors come out and they all recommended twenty feet off of the house that was prior to knowing the set back rule. I read Madison County's rules and submitted my plans there. You have a copy of an email chain I was in where they said they did not have a problem with it. I met with the Building Committee where they gave me a variance request. I am asking for seven and a half feet set back. **Anthony Harrell** – How close would this come to the water meter? **Zach Harris, 1177** – Six to eight inches which is right on the property line. **Dave Decker** – That is where you are wanting to put it? **Zach Harris, 1177** – Yes. **Dave Decker** – If you were to go with a twenty-five foot set back, it is basically ten feet off of your house? **Shaun Diltz** – What was it from the deck? **Zach Harris, 1177** – Seven feet. **Tony Harris** – Are you meeting the set back requirements on the east and north side of your property? **Zach Harris, 1177** – Yes. It's just that one side. I got with my neighbor to the north and measured the property line and he has no problem with it. **Anthony Harrell** – My only concern is if the Sanitary District needs to turn on the water meter, they usually dig about two or three feet around that meter to get to it. In your pictures, it looks like those sections of the fence can be removed if they had to work on it? **Zach Harris, 1177** – That is correct. If they were to work on it, we would remove it and put it back in place at my cost. **Dave Decker** – Because this is a variance request, we ask the Building Committee for their

recommendations on it. Their response was equally divided on this matter, half believe you should not be punished for owning a corner lot while the other half believes it can be an obstruction to the view of the intersection. Bottom line is the corner lots have to have a twenty five foot set back from the street. **Zach Harris, 1177** – I could see if it was a wooden privacy fence but the pickets are three and sixteenths apart. The Madison County's assistant planner said she does not see an obstruction. **Shaun Diltz** – Is there a stop sign on the intersection? **Rob Clarkson** – No. Rob and I took a look at the property today and seeing where the fence is located and we do not see an obstruction. The is an empty lot so the whole front of the house is open. The only concern we have is if we ever went in and did ditching. That could be an issue down the road. **Dave Decker** – That is a road that needs done. **Shaun Diltz** – Would that road even be widened? **Dave Decker** – We have avoided widening anything. **Rob Clarkson** – If you are going to grant the variance, the request I would have is have something state he would move his fence at his cost as far as ditching goes. **Anthony Harrell** – Do we normally go further than ten feet from the road? **Rob Clarkson** – We don't normally, however, things lay differently out here from one street to the next. **Dave Decker** – The measurements that have here of seventeen feet from the road. Is that from the property line, have you had this surveyed or is this just from the road? **Zach Harris, 1177** – I have not had it surveyed. I got with my neighbor where his property line is and measured eighty-five feet. **Rob Clarkson** – Have you found your pins? **Zach Harris, 1177** – Yes, with a metal detector. **Shaun Diltz** – This streetlight is not in your fence, is it? **Zach Harris, 1177** – No, it is not. We are approximately three feet from the street light. **Anthony Harrell** – I don't have a problem with this as long as you understand if we do any ditching or the Sanitary District needs

work done that any removal is on you. **Shaun Diltz** – I'm fine with it. He should not be punished for that corner lot. There is a handful of them out here that look similar by looking at areal views.

**Anthony Harrell** – Motions to approve variance request with the contingency of the owner's responsibility to move the fence of event where ditching would take place or other Association requirements.

**Shaun Diltz** – Seconds.

**All in Favor.**

**Motion Carries.**

## Open Floor

**Jean Votruba, 493** – You all know that I am an Election judge and I will be working the Election in April. I am just wanting to make sure that we can come in and set up on Monday evening, April 1<sup>st</sup>. We have done this in the past. **Rob Clarkson** – That should not be a problem. **Jean Votruba, 493** – I also wanted to ask who is running for the Board and if so, do you have your paperwork in because we have nine weeks until the Annual Meeting. **Tony Harris** – I still have to send mine in. **Dave Decker** – Tony, Anthony and Shaun's terms end this May. **Anthony Harrell** – My application is in. **Jean Votruba, 493** – Marie Kelting had me ask if her suggestion regarding the personal safety water gear for the lake was going to be brought back up tonight? **Dave Decker** – No, it was not. It was discussed at the last meeting and there was no action item coming out of that last meeting? **Jean Votruba, 493** – Can she bring it back up at another time? **Dave Decker** – Always. **Jean Votruba, 493** – Thanks, I will let her know. **Tony Harris** – With that first Monday of the month, there is Zumba in the ballroom? **Megan Jackson** – I will coordinate with Zumba and let them know the ballroom is reserved.

**Dave Decker** – Recently, we had a situation

where a member had decided to open a Bed and Breakfast which is a violation of our rules and Madison County zoning rules. There was a court hearing of that situation and have not come back yet with the results. With our expectations, he will be found under violation of that rule and he has taken down his postings for that service.

**Tony Harris** – Motions to adjourn to Executive Session.  
**Matt Ressler** – Seconds.  
**All in Favor.**  
**Motion Carries.**

**Meeting adjourned at 8:30p.m. to Executive Session.**  
**Meeting minutes submitted by Megan Jackson.**

**Date:** March 27, 2019

**Attendance**

**Motion Carries.**

**Transfers of Property**  
There are two transfers of property. There is one house and one lot with two triggered initiation fees.

**Old Business**  
**Su Twan Dam Repair**  
**Dave Decker** – We have a memo in our packet from Rob Clarkson regarding the estimated costs to repair Su Twan Dam. The total cost is roughly \$15,000, we had set aside \$20,000. Is that correct? **Rob Clarkson** – Yes. **Dave Decker** – He also handed out a drawing that shows the potential lowering of the lake as a result of five feet needed to do the repair. The impact is not as large as what many were expecting. We are targeting this work to start at the end of May. This will be an agenda item for the Annual Meeting.

**Absentee Ballot**  
No Discussion

**New Business**  
**Ballot Formatting Approval**  
Changes in verbage was discussed.

**Dave Decker** – We will discuss the name order for the Board of Directors ballot next meeting. The Board needs to determine this policy because it is not in the rules anywhere that I know of and we need to figure out how to break a tie. Historically, we flipped a coin to break a tie. Another option can be to draw names out of a hat. **Tony Harris** – I think we should flip a coin. **Steve Yates Jr.** – Flipping a

coin sounds fine.  
**Tony Harris** – Motions to break any ties in voting for the Board of Directors by a flip of a coin.  
**Anthony Harrell** – Seconds.  
**All in Favor.**  
**Motion Carries.**  
**Tony Harris** – Motions the first two candidates who recieved the most votes to be elected to a three year term and the third candidate with the most vote to be elected for a one year term.  
**Matt Ressler** – Seconds.  
**All in Favor.**  
**Motion Carries.**

**Auction Results**  
**Dave Decker** – We took the equipment up to auction yesterday and recieved \$2,928.25

# BEACH AND SWIM SAFETY

## HOLIDAY SHORES REGULATIONS

1. Beaches located within the Association are restricted to members and guests only.
2. Glass bottles, fires, pets and food are prohibited from the beach area.
3. Persons under the age of 16 are allowed swim: if being escorted by an individual 17 years of age or older or there is a lifeguard on duty.
4. During each shift, a lifeguard is allowed a ten-minute break every hour, during that time, swimmers must exit the water.
5. Holishor Association Inc. is not responsible for one's personal items, nor any personal injury sustained while using Association facilities (water, beach, grounds, etc.)

## IL DEPT. OF PUBLIC HEALTH REGULATIONS

1. Beach water is not intended, nor fit, for human consumption. Do not swallow beach water.
2. Beach admittance may be denied to individuals having:
  - Contagious diseases
  - Infections (foot infections, ear infections, vomiting, diarrhea, inflamed eyes, unhealed abrasions or lacerations, skin lesions, or bandages of any kind.
3. Persons under the influence of alcohol or behaving erratically will be denied access/removed from the beach.
4. No food, drink, gum or tobacco products are permitted in the swim area.
5. The use of glass containers is strictly prohibited.
6. Children who are not toilet trained must wear tight fitting plasticized/rubber swim pants.
7. Swimming alone is discouraged.
8. Diving in shallow water is prohibited.
9. Personal conduct that endangers the safety of ones' self, or other beach patrons, is strictly prohibited.
10. Swimming is permitted between sunrise and sunset, except during the times of thunder and/or lightening. Swimmers are required to exit the water during these conditions and remain out for a minimum of 15 minutes following the last detection of thunder or lightening.
11. Pets are prohibited from the beach area.
12. Beach patrons are not permitted to feed local wildlife or entice them to stay in the area. Wildlife harassment is also strictly prohibited.
13. Measures taken to protect ones' self from the sun, such as sunblock, beach umbrellas, etc. are strongly recommended.

# Baseball Word Scramble

for more information.

## INTENT TO EXPEND FUNDS FROM RESERVES

It is the intent of the Association to expend  
approximately \$28,000.00 from our Reserve and  
Renovation account:

\$11,000.00 Tennis Court resurfacing/ sealing/ markings  
\$12,000.00 Ballroom carpet and Dance Floor replacement  
\$5,000.00 Pavilion replacement

This work is intended to be completed in 2019.

KEEP YOUR EYE OUT FOR YOUR 2019  
DUES & ASSESSMENT STATEMENT!

3rd INSTALLMENT IS DUE MAY 1st!  
A LATE FEE WILL BE CHARGED AFTER  
10 DAYS.

## IF YOUR PET IS LOST OR STOLEN, WILL YOU BE PREPARED???

Our Protected Pet ID Program allows Public Safety the following information on your pet when you participate:

### **OWNER'S CONTACT INFORMATION**

### **TWO PHOTOS OF YOUR PET (FRONT AND SIDE VIEWS)**

### **UNUSUAL MARKINGS AND BEHAVIORS**

**THIS ALLOWS US TO RETURN YOUR PET TO YOU INSTEAD OF CALLING  
ANIMAL CONTROL!**

Contact the Holishor Office at 618-656-7233 for information on participating in this program  
OR feel free to bring your pet in with you and we will get your pet in registered ASAP!

I am sending this correspondence today to inform you that on or about 31-May-2019 we will be doing some work on the dam for SuTwan Lake. This work will require the lake to be lowered approximately 5'. Completion of the work will take approximately 30 days. During this time our maintenance crew will be removing the 8" cast iron pipe routed thru the dam. If you have any repairs, you are needing to make to existing docks or sea wall this would be the opportune time to do so as Su Twan lake does not get drawn down every 5 years like Holiday lake does. Keep in mind any new construction will require a HSBAR permit. If you are wanting to improve your shoreline with soil cloth and rip rap we will have it available for purchase in the office.

Upon completion of the work we will be refilling the lake utilizing the water from the main lake so we do not have to rely on above average rainfall to take care of it for us. Your water quality will not be affected, and we are going to do everything within our powers to have as little impact as possible on the aquatic eco system in place currently. Fishing will be closed on Su Twan till repairs have been completed and the lake refilled to normal pool.

I am asking for your patience as we undergo this project. If you have any concerns or would like to discuss anything with me I can be reached at 618-656-7233 ext 1 Mon-Fri 8:00-4:30.

Regards,

Rob Clarkson CMA  
Association Manager

## LAKE HOUSE FOR SALE

1367 Biscay Drive, Edwardsville, IL 62025

\$375,900

Enjoy vacation living and wonderful views all year round in this 6 bedroom, 3 1/2 bath waterfront home on the quiet North end cove at Holiday Shores Lake Development. This house, built in 2001, features 3000 sq. ft. of living space with a large kitchen, formal dining room and breakfast area. Has a two story great room with a wood-burning fireplace, first floor laundry and a master suite that includes a jacuzzi tub and walk-in closet. The walk-out basement is nicely finished and can serve as an in-law suite with two bedrooms, a 3/4 bath and large open living areas. Gas line is run and ready for a fireplace if desired. Enjoy the outside landscaping and take your pick of relaxing on the 12 x 16ft deck, one of the two concrete patios or the boat dock. Feel free to call 618-558-7729 to schedule a showing. More pictures can be found on Facebook @ Holiday Shores Biscay House

## MEDIC MINUTE

Severe Weather and Tornado Safety Tips  
Severe weather and tornadoes have been reported in every state and can happen at any time of year. Spring is the time when we usually hear more about tornadoes and severe storms. Last year 1,154 tornadoes were reported in the U.S., with 69 deaths and over 1500 injuries. Always make sure to tune into the radio or television for the latest information and listen for warning sirens in your area. A tornado watch means tornadoes are possible in your area and a tornado warning means a tornado is either on the ground or has been detected by Doppler radar – seek shelter immediately. Have a disaster plan and make sure everyone knows where to go in case a tornado threatens. Prepare a disaster supply kit for your home and car including a first aid kit, canned food and can opener, bottled water, battery-operated radio, flashlight, protective clothing, extra batteries and written instructions for turning off electricity, gas and water. During a tornado: go to the basement or interior room on the lowest floor without windows such as a bathroom or closet. Get

under a sturdy piece of furniture or cover up with a mattress. If you live in a mobile home, get out as they offer little protection against tornadoes and you would be better off outside. Get out of automobiles, don't try to outrun a tornado – go to a ditch or low-lying area and lie flat. Stay away from fallen power lines and damaged areas. Every school should have a disaster plan with frequent drills. Basements, interior rooms or hallways away from windows offer the best protection. Crouch down on your knees and protect your head with your arms. After the tornado passes, stay indoors until it's safe to come out. Check for injured or trapped people without endangering yourself and continue to watch out for power lines. A thunderstorm warning means a thunderstorm is taking place in your area. Keep an eye out for darkening skies, flashes of lightning or increased winds. Don't wait for the rain to begin to get to a safe place if you see lightening or hear thunder. Get to a sturdy building or car and make sure the windows are shut. Avoid outdoor areas if possible but if there is no shelter, stay away from trees, and crouch down in an open area twice as far away from a tree as it can fall. Put your feet together and place your hands over your ears to minimize any damage from thunder. Stay about 15 feet away from others if you are in a group. Stay out of water and away from puddles as they are great conductors of electricity. Avoid metal and drop any backpacks as they often have metal on them. Wait at least 30 minutes after the last observed lightning strike or thunder to resume outdoor activity. If you're indoors, avoid water and don't use any corded

equipment such as telephones, computers, appliances and tools. Stay away from windows, doors and porches. If someone is struck by lightning, it is okay to touch them since they don't carry an electrical charge. Call 911 immediately.

## FIREFIGHTER'S FOOTNOTE

The past month has been a busy one for us. We have had several training dates including IDOT traffic management, SCBA (self-contained breathing apparatus) training, truck familiarization, and live fire practice. We have basic pump operations and CPR/AED training coming up. H.S. Fire Department responded to 28 incidents over the past month: four fires (one mutual aid), 13 EMS calls, eight motor vehicle accidents, one downed tree, one smoke detector alarming, and one wellness check. We also have our annual Fish Fry coming up on Friday May 3 from 4-8pm, which is one of our major fundraisers. There will be fried fish, bratwursts, hot dogs and BBQ pork steaks along with slaw, potato salad, desserts and soda. There will be a 50/50 raffle, and any proceeds we collect will go to Backstoppers in memory of Cpt. Ringering. The Garden Club also hosts its annual plant and flower sale at the station. Each year they spruce up the front of the station and prepare it for our fish fry. We will once again help with the Kids Fishing Derby on Saturday May 11th, and the yearly Holiday Shores Yard Sale Day is Saturday June 1, where we will offer maps and water with donuts for sale. Once again, volunteers are always welcome so come visit us on Monday evenings from 7-9pm. Follow us on Facebook or look us up on our website at [www.hsfd.org](http://www.hsfd.org).
